Consolidated Application Main Contacts

FROM: Michael W. Radke, Ph.D.   
Director, Office of Field Services

SUBJECT: Process for Transitioning to a Title I, Part A Schoolwide Program

Annually, Title I, Part A Targeted Assistance schools meeting certain criteria are given an opportunity to transition to "Schoolwide Status." The Michigan Department of Education is announcing the criteria and process for making this transition.

In order to transition to Schoolwide, schools must first meet the 40% poverty rate eligibility criteria to apply to be a Schoolwide school, unless the school has been identified as a Priority or Focus school per Michigan's approved Elementary and Secondary Education Act of 1965 (ESEA) Flexibility Waiver. Priority and Focus Schools automatically become eligible to apply for Schoolwide status. For additional information, please review the **LEA/District Guidelines for Transitioning to Title I Schoolwide** included with this memo. All of the forms and information provided here can also be found on the Office of Field Services (OFS) website [www.michigan.gov/ofc](http://www.michigan.gov/ofc), click on Title I, Part A, under Programs.

Local Educational Agencies (LEAs) intending to transition schools into Title I Schoolwide status will be required to notify Office of Field Services using the **Intent to Transition to Schoolwide 2016-17** form found on the website. This form must be received prior to engaging in the planning process and no later than October 1, 2015. Completed forms should be submitted to [SchoolwidePlan@michigan.gov](mailto:SchoolwidePlan@michigan.gov) or faxed to 517-335-2886.

Any school transitioning to Schoolwide must hire an approved facilitator from the OFS Schoolwide Facilitators list found on the OFS website [www.michigan.gov/ofc](http://www.michigan.gov/ofc), click on Title I, Part A, under Programs.
